Used Shoes & Apparel Guide for Buyers & Sellers

For Sellers --

Please fill out a For Sale Notice with the following information and place on the Used Items Buying & Selling Board near the Student Area:

1. Item Description
2. Asking Price
3. Contact Information

If a For Sale Notice is not available, or if you choose to not use one, please include the above information on your posting. Photos may be included.

For Buyers -

Please check the Used Items Buying & Selling Board near the Student Area periodically for items you may be interested in.

Buyers may also post a Looking For Notice, with the following information:

1. Item Description
2. Contact Information

If a Looking For Notice is not available, or if you choose to not use one, please include the above information on your posting. Photos may be included.

Transactions -

Please use the contact information posted on the board to get in touch with the other party.

All arrangements and payments must be made **directly between** the seller and the buyer.

Optional -

Sellers may leave one shoe in the Drop Box below the bulletin board for prospective buyers to inspect and try on. Please clearly and securely mark the item with your contact information. At some point during the sales process, the seller can give the matching shoe to the buyer.

Important Notice - This system set up as a service for NRSID families. All arrangements, agreements, transactions and items being bought and sold, especially as described above, are done at your own risk. NRSID cannot take responsibility for the loss of items or funds.

Happy Shopping!
