

LACING SOFTSHOES - FAY'S PLATINUM SUEDE SHOES

Take a look at the accompanying diagram.

Feed the lace through the Front Loop at the Toe, making sure the lace is of equal length on both sides.

With the Left Lace (green) follow the criss-cross pattern from L1 to R2 to L3 to R4

With the Right Lace (blue) follow the criss-cross pattern from R1 to L2 to R3 to L4

Feed the Left Lace (green) through the Left Sideloop and then through the Back Strap Loop.

Feed the Right Lace (blue) through the Right Sideloop and through the Back Strap Loop.

Wrap the remaining lace around the foot or ankle and tie as normal.
