## What is ParentSENSE?

An organization of NRSID parents with the goal of creating activities and programs to support student endeavors, enrich lives, and nurture friendships among dancers, their families, and the community.

## What are some examples of “activities and programs”?

Activities and programs will be will be developed and decided on by the group.

A few ideas are:

- **School-Wide Social Events:**  
Parties, movie nights, Christmas caroling, paint nights, game tournaments, field trips/travel, photography sessions, and traditional Ceilis (social gatherings with music & dance).
- **Community Events:**  
Performances or activities that enrich the lives of both an audience and the students, including live dancing, videos, charity events, flash mobs, volunteering, and community improvement projects.
- **Workshops:**  
These can be educational, enhance communication, and fun. Ideas include workshops for fitness/skill, competition information, best ways to practice, developing a positive mindset, and “Ask the Teacher”.
- **Fundraising:**  
To raise funds for ParentSENSE activities, and/or for potential student expenses, such as school costumes, competition fees, travel fees, etc.
